

Executive MBA program:

The Executive MBA program is the premier option in Islamabad for professionals to obtain the MBA credential while continuing to work. Designed to develop mid-career managers, executives and business owners, the 24-month EMBA program is tailored to meet the demands of an executive's schedule. Our interactive, collaborative environment, international experience component and unmatched personalized support will give you the keen strategic perspective necessary to compete and succeed in today's business environment.

Program Objectives:

The broad, collective experience of the Executive MBA class creates a stimulating and collaborative learning environment. The curriculum is designed for participants to:

- Gain a broader understanding of the functional areas of business and therefore a strategic perspective required to develop leadership skills;
- Understand the economic, technical and managerial concepts that influence a company's competitive position;
- Collaborate and network with other experienced professionals;
- Contribute to their organization by implementing what they learn while continuing to work;
- And remain competitive, improve effectiveness and salary potential.
