        cc: PS to President, IIU

Dear Sir/Madam,

Invitation to TARC International Conference on Learning and Teaching 2010

Tunku Abdul Rahman College (TARC) is organizing its second International Conference on Learning and Teaching (TIC2010), which will be held at One World Hotel, Petaling Jaya, Malaysia from **18 to 19 October 2010.** The theme of the conference is *"Emerging Trends in Higher Education Learning and Teaching"*. We have the pleasure of inviting you to participate and present paper at this conference.

This international conference provides a platform for international education and research community to collaborate, share research findings and best practices. It focuses on emerging trends and issues pertaining to methodologies and strategies; use of technology and its impact on learning, teaching and assessment, as well as institutional policies and professional development.

This conference will include workshops, paper and poster presentations from the international academia on the identified sub-themes. We welcome papers that are based on theoretical and empirical research findings.

Please do not hesitate to contact us, should you need any further information. We look forward to hearing from you.

With warmest regards.

Thank you.

Yours faithfully

Dr Ng Swee Chin
Chair, Editorial Committee

FIRST ANNOUNCEMENT

CALL FOR PAPERS

TARC INTERNATIONAL CONFERENCE ON LEARNING & TEACHING 2010

Organiser:
TUNKU ABDUL RAHMAN COLLEGE
Kuala Lumpur, Malaysia

Theme: *"Emerging Trends in Higher Education Learning and Teaching."*

18-19 October 2010

One World Hotel, Petaling Jaya, Malaysia

In view of the great success of TARC International Conference 2008, Tunku Abdul Rahman College is organizing its second International Conference on Learning and Teaching (TIC2010).

The objectives of this conference are to:
- Establish a platform to share research findings focusing on emerging trends and issues pertaining to methodologies and strategies in learning, teaching and assessment.

- Discuss the use of technology and its impact on learning, teaching and assessment environments at higher education institutions.

- Promote collaborations, discussion and sharing of knowledge, experience and expertise on development in learning, teaching and assessment.

- Share best practices in teaching, learning, assessment and institutional policies and governance in higher education.

The theme of the Learning and Teaching Conference is "Emerging Trends in Higher Education Learning and Teaching". The papers presented will be based on theoretical and empirical research findings on all aspects of learning and teaching. Papers presented will focus on issues pertaining to methodologies and strategies in learning, teaching and assessment, as well as on technology and its impact on learning, teaching and assessment environments. In addition, the conference will also focus on international policies and professional development in the area of learning and teaching.

The conference will comprise keynote addresses, plenary sessions, parallel sessions, posters and workshops over the duration of 2 days. The papers submitted should cover any of the following sub themes or other related areas.

A. Methodologies and Strategies in Learning, Teaching and Assessment.

- Affective Learning
- Outcome-based Education
- Learning Assessment and Evaluation.
- Learner Centred Strategies
- Active Learning
- Critical Thinking and Problem Solving Development
- Learning Disabilities
- Embedding Soft Skills in Curriculum Development
- Engaging The Multiple Intelligences

B. Technology and Its Impact on Learning, Teaching and Assessment Environments

- Online Learning and its Impacts
- Gaming, Simulation and Virtual Worlds
- Digital Content Creation, Preservation and Delivery
- Information Literacy Support for Teaching, Learning and Assessment
- Web Technologies

- Future Trends and Globalization
- Social Networking and Interactive, Participatory Applications and Services
- Distance Learning
- E-Learning Strategies
- E-Library and Learning Resources
- Learners Diversity, Inclusiveness and Inequality
- Technology and The Learning Environment
- Supporting Students Experience
- Mobile Learning

C. Institutional Policies and Professional Development

- Enhancing Human Capital Quality
- Lifelong Learning Strategies
- Faculty Development and Support
- Strategic Alliances, Collaborations and Partnerships
- Institutional Audit and Quality Assurance
- Academia-Industry Collaboration
- Enhancing and Integrating Employability
- Institutional Performance
- Academia Intellectual Property Rights

FORMATTING OF FULL PAPER

Paper title in sentence case Arial 16 bold

Author 1
Department or Centre
Institution, Country
Email Address

Author 2
Department or Centre
Institution, Country
Email Address

Place your abstract here in no more than 250 words in Times New Roman font size 10. The abstract content should clearly state: Research objectives, Methodology, Scope of investigation/findings. The abstract should be indented 0.5 inch from left and right margins and left aligned.

Keywords: One line only of key or focus terms used in your paper

First level heading in Arial 12 bold

Use Times New Roman 10 point, left aligned, single spaced for the body of your paper. There should be only one blank line before and after headings, sized to Times New Roman 10 point.

Paragraphs should be separated with a single blank line with no indents. Do not use *Spacing Before* or *Spacing After* (in the Format Paragraph dialogue box) for your paragraphs.

Second level heading in Arial 10 bold

Put a blank line before and after the second level heading, formatted as before.

TARC International Conference on Learning & Teaching 2010

Please follow APA style (5th edition) for all referencing. The APA Style Guide to Electronic References (2007) is for your online references. You can refer to their publication manual or google "APA style" for brief introductory guides on the Web. See the following references.

References

American Psychological Association. (2001). *Publication manual of the American Psychological Association* (5th ed.). Washington DC: APA.

The references according to APA style should be listed in alphabetical order according to first author, in Times New Roman 10 point, left aligned with hanging indent 0.25 inch (use Format Paragraph dialogue box for precise placement of hanging indent).

SUBMISSION OF FULL PAPERS

The full papers should be submitted before 1 February 2010 at the following email: **tic2010papers@mail.tarc.edu.my** or through the conference web-based submission at: **http://www.tarc.edu.my/tic2010.htm**
