

Department of Education

Vision and Goals

The Department of Education was established in 2000.

The Department endeavors to pursue and attain the following aims:

- To perform a lead role in preparing and updating competent teachers of different levels and types of education deeply nurtured in the Islamic ethos and vision and strongly committed to the obligations of the teaching profession.
- To provide state of the art training and education in educational development management and governance to produce dynamic and efficient educational administrators and leaders.
- To design, test and develop innovative curricula, instructional methods and materials and educational assessment, tests and evaluation techniques in step with the modern advancements.
- To conduct studies and research on educational theories and practices of different schools of thought, the contemporary issues and problems of education and the challenges and opportunities in the future and to contribute to the expansion of frontiers of knowledge in the field of education

To organize and participate in national, regional and international seminars and conferences in different aspects

Aims of the Workshop

Academic writing plays a significant role in the career development of students. Following will be the scope of the workshop:

- Participants will understand the importance of academic and creative writing.
- Participants will know how to obscure their thoughts and processing of thoughts.
- Participants will know how to primarily collect information, recode the information and how to get benefits from wisdom of others.
- How to give citations, quotations and references.
- Participants will learn about drafting, re-drafting, proof reading and initial level editing.
- Participants will acquire skills about writing of various types of research papers, scripts writing and text books writing.
- Developing collaborations with people belonging to area of interest.
- Participants will know about formatting and different styles of citations.
- Participants will know about the qualities of good writers and how they can become creative writers.
- Participants will know ways of thinking and reflecting on one's own views.
