Post-Event Summary of FETEX-23

FETEX was successfully organized by the Department of Electrical and Computer Engineering (DECE), Faculty of Engineering and Technology (FET) on March 14-15, 2023. It was a nationwide event that aimed to bridge the gap between academia and real-life challenges by bringing together companies, professionals and students on one platform. Teams and individual from various universities across the country have participated to compete with the best young minds. With the theme **"Where Excellence Gets Engineered"**, FETEX-23 provided a platform for young people to demonstrate their technological skills, get a chance to interact with other bright minds and enjoy some moments in extracurricular activities. FETEX-23 has been sponsored by five different companies/vendors. Table 1 shows the list of tentative events in FETEX-23.
