(EXAMINATION BRANCH)

No. Exams/IIUI-2020- 1362

Dated: 24-02-2020

Subject: Clarification about decision of (CCC) courses and curriculum committee

With reference to Notification No. IIU-D.Acad (08)/ 2008-8788 dated 19-11-2019, subjected "Decision of (CCC) courses and curriculum Committee", the house after some discussion approved the following modification:

2 "PhD scholars registered prior to 1st January, 2013 and after 1st January, 2010 are allowed to get their research proposal/ thesis approved from BASR up to 31st December, 2019 and submit their final thesis by 30th December, 2020."

3 Now query has been raised that whether all students enrolled after 1st January 2010 (who have submitted their synopsis well in time i.e. 5 Years) and their degree programs are completed on December 2019^{or before} are allowed to submit the thesis by December 2020 or previous notification stands still for such students in which date of submission of thesis was December 2019.

Clarification in this regard is required please.
