No. IIUI/ORIC/HEC-ICRG/2020

May 17, 2023

Subject: Hiring of Postdoctoral Research Associate for HEC-ICRG PAK-UK Education Gateway Project Grant titled ‘Investigation in Advanced Energy Harvesters and Energy Storage Devices for Self-Powered Flexible Energy Systems (FleEnSys)’

Applications are invited from the qualified candidates for the following position under the HEC-ICRG PAK-UK education Gateway Project Grant titled “*Investigation in Advanced Energy Harvesters and Energy Storage Devices for Self-Powered Flexible Energy Systems (FleEnSys)*”, in the Centre for Advanced Electronics & Photovoltaic Engineering (CAEPE), International Islamic University, Islamabad.

S. No.	Title of Post	No. of Posts	Duration	Remuneration (PKR)		For eligibility criteria of the post, please see below
				First 05 months	Last 12 months	
01	Postdoctoral Research Associate (PDRA)	01	1 year and 5 months	138,937 per month	147,874 per month	

Note:

1. Application on plain paper along with CV should reach on or before May 28, 2023, in the Centre for Advanced Electronics and Photovoltaic Engineering, International Islamic University, Islamabad, Pakistan; and the scanned copies of all the documents are to be mailed on aelp@iiu.edu.pk.
2. Attested photocopies of degrees/diplomas/certificates/testimonials, domicile, CNIC and experience certificates and photograph etc. must be attached.
3. The selected candidate will be required to sign a bond for the entire duration of the project. Incomplete or late received applications will not be entertained and only shortlisted candidates will be called for further processing.
4. International Islamic University Islamabad reserves the rights to accept or reject any/all applications without assigning any reason.

(Shafiq Ahmad)
Assistant Director (ORIC)

S. No.	Title of the Position	Number of Posts	Qualification/ Experience	Duration
1	Postdoctoral Research Associate (PDRA)	01	1. PhD in Electrical / Electronic Engineering / Materials Science / Materials Engineering / Physics / Chemistry from a recognized/accredited institution. 2. Please refer to the TORS below.	1 year and 5 months

TORs for the post of Postdoctoral Research Associate (PDRA). CAEPE

Specialization

Organic electronics, Organic Chemistry, Synthesis of flexible materials including polymers and 2D materials, Device Fabrication and Characterization

Knowledge/Skills

- Proven ability in the required specialized area in form of high-quality papers and/or patents.
- Strong Knowledge base and hands-on capabilities using diverse research grade machines.

General Instructions

- The eligible candidates may be required to undergo short-listing process before test/interview.
- Applicants lacking prescribed criteria and required qualification on the closing date will not be entertained (required terminal degree must be completed on closing date). Foreign degree holders shall be required to submit equivalence of the degree from HEC.
- No TA/DA is admissible for Test/Interview.

Note: Errors and Omissions excepted.
