## (Professional Endeavour)

### Pakistan Association of International Relations (PAIR)

Pakistan Association of International Relations (PAIR) is an apolitical and non-profitable association for mid-career researchers, academicians, and young scholars dedicated to strengthening the culture of objective research and higher learning. PAIR has no political or religious agenda to achieve. Rather, it signifies the collectiveness of society as a democratic and progressive nation. The mission of PAIR is to project and promote independent research and the culture of higher learning necessary to address the global purpose with a manifestation of peace building, conflict resolution, and social cohesion.
