

**NEW ARRIVALS IN CENTRAL LIBRARY**  
**(APRIL 2018)**

| <b>Sr. #</b> | <b>Title</b>                                     | <b>Author</b>             | <b>Year of Publication</b> | <b>Call No.</b> |
|--------------|--------------------------------------------------|---------------------------|----------------------------|-----------------|
| 1.           | Foundations of Engineering Geology               | Tony Waltham.             | 2009                       | 624.151 WAF     |
| 2.           | Fluid Mechanics for civil engineers              | Webber, N. B.             | 1971                       | 620.106 WEF     |
| 3.           | GIS for water resources and watershed management |                           | 2003                       | 628.1028 GIS    |
| 4.           | GPS for land surveyors                           | Sickle, Jan Van           | 2015                       | 526.982 SIG     |
| 5.           | Sketchup for site design :                       | Daniel Tal                | 2016                       | 712.0285 TAS    |
| 6.           | The handbook of Phonological theory:             |                           | 2011                       | 414 HAN         |
| 7.           | Ground water hydrology :                         | Jat, M. L.                | 2009                       | 551.49 JAG      |
| 8.           | Exploring the Qur'an:                            | Abdel Haleem,<br>Muhammad | 2017                       | 297.122 ABE     |
| 9.           | Environmental and nature writing :               | Prentiss, Sean            | 2017                       | 508 PRE         |
| 10.          | The Quran: a philosophical guide.                | Leaman, Oliver            | 2016                       | 297.122601 LEQ  |
| 11.          | The Qur'an :                                     | Sinai, Nicolai            | 2017                       | 297.1226 SIQ    |
| 12.          | A feminist manifesto for education.              | David, Miriam E.          | 2016                       | 371.822 DAF     |
| 13.          | What is Sociolinguistics?                        | Van Herk, Gerard          | 2018                       | 306.44 VAW      |
| 14.          | New critical thinking:                           | Wolfreys, Julian          | 2017                       | 801.95 WON      |
| 15.          | Teachers' know-how:                              | Winch,<br>Christopher     | 2017                       | 371.1001 WIT    |
| 16.          | Create to learn :                                | Hobbs, Renee              | 2017                       | 004 HOS         |

|     |                                                     |                       |      |                 |
|-----|-----------------------------------------------------|-----------------------|------|-----------------|
| 17. | Crime fiction as world literature.                  |                       | 2017 | 809.3872 CRI    |
| 18. | Linguanomics:                                       | Hogan-Brun, Gabrielle | 2017 | 404.2 HOL       |
| 19. | Science fiction criticism :                         | .                     | 2017 | 809.38762 SCI   |
| 20. | Shakespeare in hindsight :                          | Khan, Amir            | 2017 | 822.33 KHS      |
| 21. | Sufis, Salafis and Islamists :                      | Hamid, Sadek          | 2018 | 305.6970941 HAS |
| 22. | Key concepts in contemporary popular fiction:       | Murphy, Bernice M.    | 2017 | 809 MUK         |
| 23. | Taking control of writing your thesis :             | Guccione, Kay         | 2017 | 378.2 GUT       |
| 24. | Motivation ethics.                                  | Coakley, Mathew       | 2017 | 171.5 COM       |
| 25. | Deleuze and Guattari's What is philosophy? :        | Bell, Jeffrey A.      | 2016 | 100 BED         |
| 26. | Quantitative methods for second language research : | Roever, Carsten       | 2018 | 418.00721 ROQ   |
| 27. | Creation :                                          | Oliver, Simon         | 2017 | 231.765 OLC     |
| 28. | Fundamentals of Ground Engineering                  | John Atkinson.        | 2014 | 624.15 ATF      |
| 29. | Blueprint reading                                   | Spellman, Frank R.    | 2002 | 692.102468 SPB  |
| 30. | Fundamental concepts of Earthquake engineering      | Roberto, Villaverde   | 2009 | 624.1762 WIF    |
| 31. | Gas pipeline hydraulics                             | Menon, E. Shashi      | 2013 | 665.744 SHG     |
| 32. | A Dictionary of Civil Engineering                   | Stefan, Edwards       |      | 624.63 EDD      |
| 33. | Fundamentals of biological wastewater treatment     | Wiesmann, Udo         | 2007 | 628.35 WIF      |
| 34. | Fragments of the theory of Anisotropic Shells       | Ambartsumian, S. A.   | 1991 | 624.17762 AMF   |

|     |                                                                                   |                         |      |               |
|-----|-----------------------------------------------------------------------------------|-------------------------|------|---------------|
| 35. | Second death :                                                                    | Sherman, Donovan        | 2017 | 822.33 SHS    |
| 36. | Critical sociolinguistic research methods :                                       | Heller, Monica          | 2018 | 306.44 HEC    |
| 37. | Literature as cultural ecology :                                                  | Zapf, Hubert            | 2017 | 810.936 ZAL   |
| 38. | Microsoft SQL server, version 6.0 for the Microsoft Windows NT Operating System : |                         | 1995 | 005.75 MIC    |
| 39. | The reading mind :                                                                | Willingham, Daniel T.   | 2017 | 418.4019 WIR  |
| 40. | Research methods :                                                                | William, Nicholas       | 2018 | 001.42 WAR    |
| 41. | Desire a memoir.                                                                  | Dollimore, Jonathan     | 2017 | 306.092 DOD   |
