

### **Orientation of Library Thing & America.Gov**

LCI organized an orientation session about Library Thing & [www.America.gov](http://www.America.gov) for the students of Environment Science Department, IIUI on November 10, 2008. LC Coordinator briefed the participants about the features of newly added service “Library Thing”. The second part of the orientation was about [www.America.gov](http://www.America.gov). Coordinator told the participants about the e-journals, web-chat and other different services offered through the website. Participants appreciated the newly added service in the Lincoln Corner website. Twenty five participants attended this orientation session.
