

Majid Bashir

Lecturer, Department of Computer Science and Software Engineering, International Islamic University, Islamabad

Email: majid.bashir@iiu.edu.pk

Phone No: 051-9019726

RESEARCH INTERESTS

Delay Tolerant Networks, Smart Cities and Internet of Things (IoT)

EDUCATION

| Years | Degree | Name of Institution |
|-------|-----------------------------------|---|
| 2006 | MS in Computer Science | Queen Mary University of London (<i>QMUL</i>) |
| 2003 | Masters in Information Technology | University of Arid Agriculture, Rawalpindi |

WORK EXPERIENCE

| | | |
|--|---|--|
| Lecturer - 5 years | <i>IIU</i> <i>PMAS-AAUR</i> <i>IIUI</i> | Feb 2018 to Date Sep 2017 to Sep 2017 Jun 2007 to Aug 2009 |
| Teaching Assistant (<i>QMUL, UK</i>) - 2 yrs. | | 2014-15 |

TEACHING (COURSES)

| | |
|----------------------------|--|
| Undergraduate Level | <i>Advanced Computer Programming (ACP)</i> <i>Web-Based Application Development (WBAD)</i> <i>Object Oriented Programming (OOP)</i> <i>Data Structures and Algorithms</i> |
|----------------------------|--|

THESES SUPERVISED

| | |
|------------------|---|
| Bachelors | <i>“Autonomous Firefighter Robot” by Mr. Abdul Rehman and others.</i> |
|------------------|---|

ACADEMIC ACTIVITIES

Educational/Research Seminars
Student Projects (FYP) Evaluation/Examination
Examination Planning and Conduct (as Member Exam Committee)

| | |
|--------------------|--|
| Conferences | Mobile Number Portability (MNP) Conference 2007 By PTA and ITU (International Telecom Union) |
|--------------------|--|

| | |
|--------------------|----------------------------|
| Memberships | IEEE Student Member (2015) |
|--------------------|----------------------------|
