

Prof. Dr. Muhammad Sajid

Dr. Muhammad Sajid, Professor of Mathematics is currently the Chairman Department of Mathematics and Statistics, Faculty of Basic and Applied Sciences, International Islamic University, Islamabad. Before joining as Professor he served for more than seventeen years in Pakistan Institute of Nuclear Science and Technology (PINSTECH) one of the leading research

organization of Pakistan. Dr. Sajid's research work is mainly in Fluid Mechanics (Newtonian and non-Newtonian fluids, Stretching sheet flows, Boundary layer flows, Heat transfer analysis, Wire coating, Magnetohydrodynamic (MHD), Peristaltic motion, Unsteady flows, Blood flow in arteries, Swimming of microorganism).

Dr. Sajid has published over two hundred and thirty research papers in reputed international journals and four in national journals. His research work is of versatile nature and got more than 6000 citations from the researchers in the field. He is a referee of several international journals. Dr. Sajid has established research collaborations with leading national and international researchers in the field. For his outstanding performance he has been awarded PINSTECH Performance Award "Gold Medal" and SALAM prize in Mathematics for the year 2007, Associateship of AS-ICTP in 2009, Tamgha-i-Imtiaz in 2010 and Research Productivity Award in category A in 2010, 2011 and 2012. He supervised twelve Ph.D. and thirty MS students and currently supervising five Ph.D. and three MS students. He has presented his research work in more than thirty national and international conferences. Dr. Sajid is also member of many prestigious bodies at International Islamic University and other universities of Pakistan.
