

# **Scheme of Studies**

## **B.ED 2.5 YEAR (Elementary)**

### **Introduction of the Programs**

Teaching has been considered as a profession. Pakistan has developed National Professional Standards for Teachers. So to make a teacher professional it is dire need of time to educate him/her professionally. Higher Education Commission has recently introduced roadmap for teacher education, which includes different streams of B. Ed degree, one of that is B.Ed Elementary / Secondary of two years duration after a bridging semester. The pre requisite of this degree would be 14 years of schooling i.e. B.A /B.Sc. The aim of this B. Ed (2.5 year) program is to develop the professionalism among the teachers and to develop educational leaders/trainers who can work with educational institutions as teachers.

Mission of the B.Ed programs of IIU is the provision of challenging learning environment infused with Islamic and research based practices for the production of balanced and harmonious educational leaders who can be proactively involved in innovation, research and development of national and international community.

The main purpose of these program is to produce professionally sound teacherswho can contribute to the field of education, share experiences and build academic acquaintance with the education community. So the target population of the programs is those hardworking graduates having an urge for teaching, potential for caring out true research and wishing to act as future education leaders.

Programs consisted upon 72 +18 credit hour

### **Objectives of the Programs**

After completion of this program, students will be able to:

- integrate content, pedagogy, research, and theory to build on experience and address individual areas of interest and need, while being responsive to the needs of students;
- develop knowledge, abilities, and dispositions with regard to teaching techniques, curriculum design, assessment practices for informed decision-making in the classroom
- enhance proficiency in teaching, learning, and professional development

### **Admission Criteria of the Programs**
