PRINCIPAL'S MESSAGE

Prof. Dr. Navid Jamil Malik

Dear Young Technologists, Welcome to Iqra College of Technology (ICT), International Islamic University (IIU), Islamabad. I am humble and at the same time, I feel honored to write for you. Technology in today's Knowledge Worker Age is becoming a focal point for economic, industrial, agricultural, social and even political development of any country. In today's world, almost every day-to-day activity is primarily dependent on variety of technologies. So everyone needs to have the basic know how of technologies and there must be a young cross-section of population, who must have an in-depth knowledge and hands on experience of classical and emerging technologies. I invite you to study at ICT and receive technological knowledge need for the Knowledge Worker Age

and the wisdom required for the future Wisdom Age. At ICT, we are working hard to develop the technological competency as well as the character of our young students, who are the future leaders of technology in the world of work. I assure you that with your support and the dedication and commitment of our teaching and administrative team at ICT, very soon we together will achieve the best academic and administrative levels for which our journey at ICT started in 1995 and now moving forward in my tenure since May 2018. I wish the best for the young entrants of the current session in DAE and B-Tech programs at ICT, IIU. Stay blessed and happy. My advice to you is to "try to find your inner voice", "remain loyal to yourself and your Creator, All Might Allah", "Respect your parent, teachers and love your country".Pakistan Zindabad.

INTRODUCTION

The foundation of the University was laid on the first day of the 15th Hijrah Century, Muharram 1, 1401 (November 11, 1980). This landmark of the beginning of the new century symbolizes the aspirations and hopes of the Muslim Ummah for an Islamic renaissance. The desire to produce scholars and practitioners, imbued with Islamic learning, character and personality, and capable to meet the economic social, political, and intellectual needs of modern times is the aim of this University.

Iqra College of Technology

LOCATION

The new campus is located at sector H-10 of Islamabad and is fast taking shape as a symbol of Islamic Architecture. Its 704 acre land provides ample scope for future expansion including housing for teachers, students and employees and sports facilities. All the teaching Faculties, a Central Library and a large number of student's hostels are located on this campus.

The old campus is located around the Faisal Masjid in Islamabad (46 acres). The four institutes and academics (Islamic Research Institute, Iqbal Institute of Research & Dialogue, Shariah Academy and Dawah Academy), Dr. Hamidullah Library, a six hundred seat Auditorium and a guest house are located on this campus.

Iqra College of Technology

INTERNATIONAL ISLAMIC UNIVERSITY, ISLAMABAD

International Islamic University is an International seat of Islamic learning, in Pakistan, which provides every opportunity for an all-round and harmonious development of individuals and society and reconstruction of human thought on the foundation of Islamic Principles.

The foundation of the university was laid on the first day of 15th Hijrah Century, Muharrum 1,1401 (November 11,1980). IQRA COLLEGE OF TECHNOLOGY

Iqra College of Technology is a constituent unit of International Islamic University, Islamabad, situated in Sector H-10/4, Islamabad. It started functioning in the year 1995. In the beginning short term technical courses of different durations in various trades were offered. On growing demand of the public of surrounding areas, 03 years Diploma of Associate Engineer (DAE) was offered in year 2003-4 in Computer and Electronics technologies. Now ICT is offering following BSc Engineering Technology and DAE Programs

BSc ENGINEERING TECHNOLOGY 04 YEARS DEGREE PROGRAMS

1. BSc Mechanical Engineering Technology
2. BSc Electrical Engineering Technology
3. BSc Civil Engineering Technology

DAE - 03 YEARS DIPLOMA PROGRAMS

1. Auto Mobile & Diesel Technology
2. Civil Technology
3. Computer Information Technology
4. Electrical Technology
5. Electronics Technology
6. Mechanical Technology
7. Refrigeration and Air Conditioning Technology

OBJECTIVES

Iqra College of Technology imparts quality education in a competitive environment. the main objectives of B-Tech and DAE programs are:

- To ensure provision of skilled and qualified technologists
- To prepare technologists who could contribute to the industry
- To provide an opportunity of career building technologists in their respective fields
- To meet the growing challenges of technical advancement at national and international levels
- To equip the students with modern and latest concepts and know how of the application of technology
- To maintain quality in technical education
- To develop student's abilities to communicate clearly, rationally and draw conclusions based on a rigorous, analytical and systematic approach to practical problems in the field of technology

GENERAL ELIGIBILITY & MERIT CRITERIA FOR B-TECH PROGRAMS

For admission in B-Tech Programs the students should have at least 50% marks in F.Sc (Pre Engineering) or DAE in the following technologies:

■ BSc Mechanical Engineering Technology

F.Sc (Pre-Engineering) or DAE in Mechanical, Auto Mobile & Diesel or Refrigeration and Air-Conditioning

■ BSc Electrical Engineering Technology

F.Sc (Pre-Engineering) or DAE in Electrical, Electronics, Telecom, Information Technology, Instrumentation

■ BSc Civil Engineering Technology

F.Sc (Pre-Engineering) or DAE in Civil Technology

GENERAL ELIGIBILITY & MERIT CRITERIA FOR DAE PROGRAMS

- Matric (Science Group) with at least 40% marks. The merit for admission will be determined on the basis of marks obtained/test in the following subjects:
- English, Physics, Mathematics, Chemistry
- Admission shall be provisional unless the original verified copy of matric DMC & Migration Certificate from concerned BISE is provided and after issuance of registration number from Khyber Pakhtunkhwa Board of Technical Education, Peshawar.
- A medical fitness certificate of candidate duly verified by a Medical Officer of any Government Hospital is required along-with the Admission Form.

TEST SCHEDULE

Schedule for admission test is available at Iqra College of Technology and on IIUI web site (www.iiu.edu.pk). No separate call letters shall be issued to any candidate. Result of DAE admission test is announced on the same day while result of BSc Engineering Technology is announced through IIU website within 05 days after the admission test.

PROSPECTUS & ADMISSION FORMS

Prospectus / Admission forms for DAE Programs can be obtained from:
Iqra College of Technology Admission Office

SUBMISSION OF ADMISSION FORMS

Candidates are required to attach the following attested documents with the admission forms:

BSc ENGINEERING TECHNOLOGY PROGRAMS

Description of Documents	Required No. of copies
Matric Certificate	3
DAE Diploma/F.Sc Certificate & DMC	3
Character Certificate issued from the institution last attended	original + 2 copies
NIC (own)	3
Student's recent photographs (size 1 X 1 inch)	2
Student's recent photographs (Passport size)	4

CO CURRICULAR ACTIVITIES IN ICT

LIBRARIES

University maintains 04 well equipped libraries with internet facilities and access to International database and digital libraries. Central Library maintains all important texts and recommended books. In addition, there is a Book Bank in the main campus of the University lending books to the students on yearly basis. The library is continuously updated with the latest editions of the relevant books. The library facility is available till 10.00 p.m.

LABORATORIES

The following state of the art equipped labs, facilities are available at Faculty of Engineering & Technology and Iqra College of Technology:

1. Applied Physics
2. Computer Applications
3. Machining Processes
4. Computer Aided Design
5. Mechanics of Materials
6. Applied Thermodynamics
7. Electronics Fundamentals
8. Fluid Mechanics
9. Manufacturing Processes
10. I.C. Engines
11. Metrology and Gauging
12. Refrigeration and Air Conditioning
13. Thermodynamics

MEDICAL CARE

The University has well equipped Medical Centres for male and female students with a team of qualified doctors for free outdoor treatment of minor ailments. Cases of serious nature are referred to Government Hospitals in Islamabad for hospitalization and treatment. The Medical Centre has also setup a laboratory to conduct various tests.
