

International Islamic University, Islamabad
(Office of the Director Finance)

The International Islamic University, Islamabad is pioneer among its sister universities in conducting the relief activities all over Pakistan in any natural crisis e.g earthquake, IDPs and flood etc. In line with the same spirit and in continuation of collection of funds from general public for IDPs of Military Operation “Zarb-e-Azab” in recent past, the team of the University decided to collect the funds for flood affectees, which disturbed the entire country. The funds collection camps were placed on 19-9-2014 and 26-9-2014 at Faisal Masjid and Rs.324,851/- (*Rs.187,725/- and Rs.137,126/- respectively*) were collected, pictures of collecting of funds are placed:

The team decided that since the Eid ul Azha is approaching on 6th October 2014, it would be most appropriate to distribute the amount among the flood affectees before Eid ul Azha. Since there was no weekly holiday available, the team consisting of the following decided to distribute the funds on first of October (Wednesday) in working day by applying one day Casual Leave and unanimously decided that worst affected area as per news received is “Athara Hazari” in ‘District Jhang’ where the water flow was more than 18 feet is to be selected for distribution of flood relief. The team consisting of the following participated in the relief activities:

- (i) Mr. Khurshid Alam, Director Finance
- (ii) Mr. Muhammad Jamil, Additional Director (HR)

- (iii) Syed Manzoor Hussain Shah, Dy. Director (Sports)
- (iv) Mr. Ishtiaq Ahmad, Assistant Director Finance

Since the limited funds were available with the University, as such it was decided to distribute funds @ Rs.5,000/- to each family head at the most deserving affectees of the area.

For this purpose, the efforts were started to reach the most affected deserving peoples. After knowing that a team of the University is going to distribute some funds among flood affectees, people from different walks of life including university employees approached the team and donated funds for flood affectees, the detail of which is also is as follows:

peoples but also agreed to share the data and to provide support in distribution of funds to most affected peoples. The team incurred all the expenditures of food etc. during the visit out of its own pocket. The collected amount was not touched as per all previous practices.

In line with all these arrangements, the team started its journey on First October at 8:00 a.m, went to Jhang Education Office and met with the Dy. Director (Education) of the area who deputed Assistant Director (Physical Education) Mr. Dilpazir Khan to coordinate with the team at all the places.
