Subject: Instructions/SOPs/Guidelines To The Departments/ Institutions For Obtaining NOC From Concerned Home Departments Prior To Arranging Any Programme/ International Mega Event, Being Funded By International Organizations.

Instances have come to the notice of relevant security apparatus in which organizations /departments directly approach foreign organizations and their officials for arranging/ organizing events without taking prior permission from appropriate forums.

2. Government has already prohibited direct contact without approval between government servants and foreign missions/organizations. It has been laid down that no offer be accepted by any officer or department/organization unless it is made through relevant forum.

3. Higher Education Commission and Home Departments are, therefore, requested to issue fresh instructions/SOPs/guidelines to the departments/ institutions for obtaining NOC from concerned Home Departments prior to arranging any programme/ international mega event, being funded by international organizations.

4. The issue merits high priority.
