

FACULTY POSITIONS: Business School

International Islamic University is a unique university in Pakistan. It has students from 50 countries and has a multi-national faculty.

The mission of IIU business school is to develop tomorrow's business and business education leaders through creating a culture of merit, openness, enquiry, challenge and innovation. The school attracts highly talented young men and women. Its student intake standards are high and are being upgraded further. Business school programs include 4-years undergrad degree to MBA, M.S, and Ph.D.

We are looking for highly qualified and dedicated professional scholars and outstanding practitioners in the fields of management, Marketing, Accounting, Finance, HRM, and IT to be part of our growing team of full time faculty to create a world-class business school. The school offers competitive terms of employment.

Interested persons are requested to send their CV's along with copies of degree/certificates and a passport size photograph to Director (Admin), International Islamic University, Sector H-10 Campus, Islamabad latest by November 15, 2008.
