

Call for Admission in Shenzhen University China

PhD Full funded

I. Colleges and Programs

College	Program
College of Economics	Theoretical Economics
College of Civil and Transportation Engineering	Civil Engineering
Health Science Center	Biomedical Engineering (Molecular Medicine/Engineering Direction)
College of Management	Management Science and Economic Decision
College of Computer Science and Software Engineering	Computer Science and Technology
College of Psychology and Sociology	Psychology
College of Physics and Optoelectronic Engineering	Optical Engineering
	Opto-Mechanical Engineering and Application
College of Information Engineering	Information and Communications Engineering
School of Architecture and Urban Planning	Urban Informatics

* Full-time study.

* The normal duration is 3 years, with the maximum of 5 years. The total required time for curriculum study and doing research in the school shall not be less than one and a half years.

II. Application Time

From 20th March to 15th may, 2019

III. Applicant Qualifications

1. Applicants should be non-Chinese citizens with valid foreign passports, and should be good in physical and mental health and shall abide by the laws and regulations of China and the rules of school.
2. Applicants should hold Master' s degree or above, and should be under the age of 40.
3. Applicants should meet the requirements for admission in academic performance, academic ability and other qualifications. Applicants should also be

proficient in Chinese or English, and can use Chinese or English for communication, course study, subject research and dissertation writing.

4. Preferential admission conditions

(1) Priority may be given to those who have IELTS score of 6.5 with no section score below 6.5, or minimum TOEFL score of 90.

(2) Priority may be given to those who have published in SCI indexed journals during their postgraduate study. If the applicants are second authors, then their supervisors should be first authors.

(3) Applying for the program of Computer Science and Technology requires Advanced Mathematics and Programming Language Grade B or above.

IV. Application Procedure

1. Please log in the website of CIE: <http://lxs.szu.edu.cn>

Or

Email your documents to szulxs@szu.edu.cn (In email must mention your relevant college and relevant supervisor)

2. Click to enter On-line Admission-I have read the above agreements-I agree and then register

3. Log in system and fill in personal information-Visa Information- documents upload-Submit

Documents	Ph. D Program
Scan copy of Passport	√
Photo (within six months)	√
Masters Degree and Transcripts	√
Two Letters of Recommendation (Signed by professors or associated professors in Chinese or English with the name of the referral and contact information.)	√
One Piece of Personal Statement (Around 1500 words in Chinese or English, and should include: the intended major and supervisor, personal experience of study and work, academic research results etc.)	√

In addition to the application materials detailed above, applicants should submit other supplementary materials in time to the requirements of SZU.

* If the original version of the above documents is not in Chinese or English, notarized translated version in Chinese or English must also be attached.

V. Admission Procedure

1. After the application deadline, SZU will organize a panel of experts to review the application documents. **SZU will admit Doctoral applicants based on the overall assessment of their scores and all other supporting documents. During the process, long-distance or face-to-face interviews will be conducted, if necessary.**

2. In June, 2019, pre-admission results will be sent to applicants by email.

3. In July, 2019, after confirmation of the list of admitted applicants, admission materials will be posted to applicants according to the address provided online by the applicants.

4. Students who are accepted should apply for the X1 visa at their country's Chinese Embassy (or Chinese Consulate) with "Shenzhen University Admission Notice" and "Visa Application for Study in China(JW202)", and change X1 visa into a Residence permit for foreign students within 30 days after entering China. Students who don't apply for the relevant visa and residence permit will have to drop out. SZU doesn't accept students with non-student visas.

5. Students who are accepted must register at the date and the address according to "Shenzhen University Admission Notice". Registration in advance will not be accepted.

VI. Fees

Tuition Fee	Liberal Arts 34,000RMB/Year	Science & Engineering 40,000RMB/Year	Medicine, Arts, Physical 52,000RMB/Year
Accommodation Fee	Single Room 6600~8000RMB/Term/Person	Double-bed Room 5400~6000RMB/Term/Person	Suite 10000RMB/Term/Person
Application Fee	200RMB (Student need to pay after admission confirmation)		
Insurance Fee	300RMB/Semester		

* Students need to pay for the selected type of dormitory by themselves.

* Water and electricity charges are calculated according to actual usage and regulated price, and will be paid by individuals.

* SZU implements an insurance system covering all international students.

International students must insure themselves in accordance with relevant regulations of China and SZU. If the student does not insure themselves as required, he or she must purchase insurance within a limited period; otherwise SZU will refuse to register them. If a current international student is without insurance, then he or she will be dismissed from university. Waver

VII. Scholarship and Grants

Categories	Scholarship Description
University Scholarship	University scholarship is used to pay tuition fees. Economic Theory: 34,000 RMB/person/academic year; Optical Engineering, Information and Communication Engineering: 40,000 RMB/person/ academic year; Biomedical Engineering: 52,000 RMB/person/year.
Basic Grants	SZU will provide a basic stipend of 40,000RMB per year which will be offered by twelve months.
Research allowance from supervisors	Supervisors will provide a certain amount of allowance for doctoral students each year as research subsidies or academic exchange subsidies

Students can have preferential treatment such as scholarships, grants fees for the first extended year of study. Such preferential treatment is not available from the second extended year of study.

VIII. Contact Information

Address: 301 3/F, Zonghe building, Shenzhen University, 3688 Nanhai Ave,
Shenzhen, Guangdong
518060
Tel: 0086-755-26558884
E-mail: szulxs@szu.edu.cn

Master

I. Colleges and Programs

College	Program
College of Civil and Transportation Engineering	Civil Engineering
	Architecture and Civil Engineering
	Transportation Engineering
College of Management	Management in Business Administration
	Management in Public Administration
	Management in Management Science and Engineering(Science)
College of Mechatronics and Control Engineering	Mechanical Engineering
	Control Science and Engineering
College of Art and Design	Artistic Design (Research direction: Product Design, Fashion Design, Environmental Design, Graphic Design, Animation Design, Creative Design)
College of Information Engineering	Electronic and Communications Engineering
	Integrated Circuit Engineering
	Information and Communications Engineering
College of Electronic Science and Technology	Statistics(Science)
Law School	Science of Law
School of Humanities	Chinese Language and Literature
	Philosophy
	Teaching Chinese to Speakers of Other languages
Institute for Advanced Study	Complex System and Data Science*
	Materials Science and Engineering (Science)*
College of Computer Science &Software Engineering	Computer Technology*
School of Foreign Languages	Foreign Languages and Literature*
School of Architecture &Urban Planning	Urban Informatics*

Notes: 1. Full-time study. Duration is 3 years.
2. * are programs taught in English.
3. Specialized test is required applying programs in College of Art and Design.

II. Application Time

From 20th March to 15th May, 2019

III. Applicant Qualifications

1. Applicants must be citizens with a valid foreign passport (whose nationalities are not People' s Republic of China). He / She should be in good health

conditions and of good conduct. He / She should also abide by the Chinese laws, regulations and the rules of the university.

2. Applicants should hold bachelor' s degree or above.

3. Language proficiency

(1) Programs Taught in Chinese :

HSK 5 with scores above 180 or above

(2) Programs Taught in English :

For applicant whose native tongue is not English requires credential of English proficiency

IV. Application Procedure

1. Please log in the website of CIE: <http://lxs.szu.edu.cn>

or

Email your documents to szulxs@szu.edu.cn (must mention your college and relevant supervisor.)
